

**August 8, 2021**

**Hello wonderful Enka Middle families! As stated in the voicemail, please view the following in its entirety and email me with questions.**

### **Meet The Teacher Information...**

- **MTT will occur Thursday, August 19th, from 1:00-3:00 pm (drop-in only).**
- **I will be calling all families within the next week to provide each family with their child's academic team name and academic teacher names.**
- **IMPORTANT: Families will be able to view Academic Schedules and Elective classes/teacher names in PowerSchool at noon on Wednesday, August 18th. It is highly important to know that if you view any PS information prior to this date and time, the information may not be accurate. Again, the most ACCURATE data will be available on Wednesday, August 18th, at noon. Please note that exceptions will not be made for data viewed in PS before this time as tweaks will continue to be made until this specific date and time.**
- **The team name phone call that you receive from me over the next week or so will hopefully remain in tact but again, extraneous variables that arise cannot be helped as we are still working with C19 restrictions.**
- **Due to Covid19 and Social Distancing concerns/guidelines, we will NOT be utilizing lockers again this year.**
- **The supply lists have been updated on the website and FB page. Students will need a lightweight backpack to take with them from class to class. The teachers have been strategic in minimizing supplies so that students can easily travel with supplies.**
- **If you do indeed plan to pop by for Meet the Teacher, we welcome you to do so of course as we will be ready to greet any families that attend. Please plan to wear a mask while in the building (children/students as well) and stop by to say hello to the teachers. They will not be**

**providing specific information or having parent meetings; rather, they will be there to simply say hello and welcome.**

- **Please email me directly with questions or concerns pertaining to the aforementioned details regarding Meet the Teacher.**

### **Additional information...**

- **The first day for students is Monday, August 23rd.**
- **Please expect ONE MORE phone call and email before the first day of school that will entail a great amount of detailed information regarding all details and guidelines for the overall functioning of the school day (i.e., Handbook, Covid19 guidelines, arrival and dismissal, athletics, etc.).**
- **NEW SCHOOL HOURS- 7:50 am - 3:00 pm (car rider drop is still at 7:30 am)...more details forthcoming in the next parent communication email. Please plan now for the updated school hours.**

**In closing, enjoy the remaining summer and know that we appreciate your willingness to allow us to educate your wonderful child/children.**

**Respectfully,  
Karen Barnhill, Enka Middle Principal  
GO JETS!!**
